

Listen to some Indian music, draw a picture to represent how it made you feel.

Write an Indian story starting with Once Upon a Time...

Complete a piece of Indian artwork, thinking about patterns

Find out about famous Indian buildings, draw the building, name it, find out it's history. Maybe make a model of the building!

Find out about Indian spices. How are they used, where do they come from? What do they taste like?

Create a poster about the location of India and it's physical characteristics.

Research animals found in India. Make a fact sheet, draw a picture or make a 3d animal! What about an Indian animal scene in a shoe box.

Cook some Indian food and bring in photos, recipe or a set of instructions

Read an Indian story and create a large story map starting with Once Upon a Time. Remember Opening, build up, problem, resolution, ending.
