Collective Worship Value for Life: Generosity

December 2019

What does generosity mean to you?

- To help somebody
- If someone has no one to play with, you go up and ask if they want to play
- Kind, nice and helpful (3)
- Giving away what we have lots of
- Be a good person in the world
- Generous with your time
- Giving something
- Mummy lets me go somewhere with my friends.

How do show generosity?

- If someone is lonely you can play with them
- You can help someone that needs it
- You can give money to the poor
- Sharing an act of kindness
- You can share things
- Sharing
- Giving
- Let people play
- When people fall over help them up.

In what ways do you receive generosity from others?

- If you are sad, people ask what is wrong
- Being appreciative
- Having good laughs with people
- When someone gives you something
- By people being kind to you
- My grandma & grandad play with me
- Help us
- If you are struggling
- My mummy & granny play with me and we go out for dinner.

When are you generous?

- Helping mum with the shopping
- At Easter

- Giving things to other people
- Give presents
- Birthdays or Christmas (2)
- Asking homeless if you can help
- When we go home after school I give mummy a big cuddle.

Why is it important to be generous?

- Because it is kind
- If you don't be generous, the world would be a worse place
- So that people are generous back when you need it (2)
- To make people happy
- You won't have many friends (2) if you aren't generous
- You could brighten up someone's day
- You can grow friendships
- There wouldn't be any peace in the world and everybody would be fighting.
