*During the COVID-19 pandemic, school has been closed to "normal" business since 23<sup>rd</sup> March 2020, providing a child care service to the children of key workers only. From 1<sup>st</sup> June the school opened to Years EYFS, Yr1 and Yr6 only, although not all children on the register for those year groups have returned. Normal school operations are expected to commence on 3<sup>rd</sup> September. Almost 100% of meetings in the summer term have been held using Microsoft Teams; not all governors had access to this service which affected attendance.*
